## *This Week's News from the Principal*

*November is a month to remember those who have paved the way for us. We are thankful for their sacrifices! We celebrate our rich American history this month and give thanks for the legacy of freedom forged by our forefathers and the veterans who fought for our freedoms. These heroes have provided hope for all who enter our American shores and borders.*

This year, I am thankful for all the Newman Students and Families. Thank you for partnering with us, and allowing us the privilege to teach your children.

*Sincerely, Mrs. Moore*

#### **TIPS FOR PARENTS**

Ms. Battle – School Counselor

Our kids' school success actually begins at home, and even the simplest steps can mean a big difference for your child's future. Re-assure your child. Anxieties and concerns are normal. Many children will experience these feelings throughout the school year. Encourage your children to talk openly with you, with teachers, and counselor, about concerns or worries they may have.
